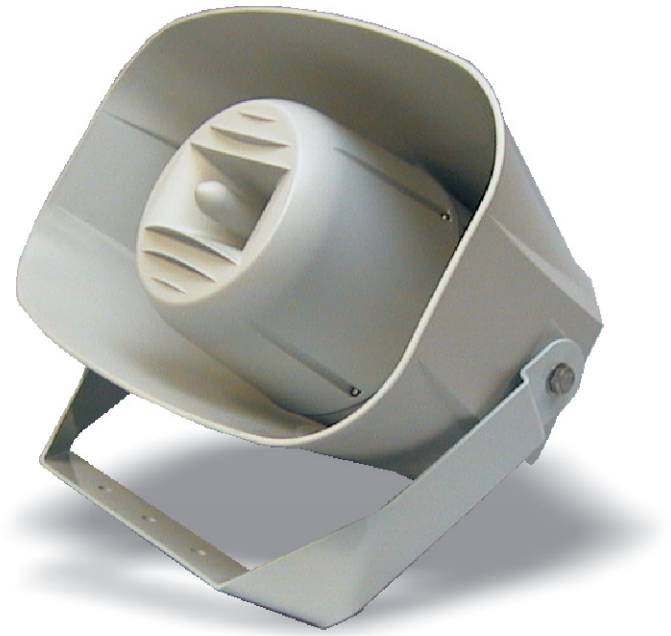
2-WAY HORN LOUDSPEAKER



The MPLT30 is a high quality 2-way horn loudspeaker. Due to its built-in bass-reflex chamber, this long-throw loudspeaker gives an exceptional performance, even for music. It is very suitable for outdoor-use and very effective for long-distance carry.
In short : The perfect loudspeaker to give you a high quality sound, to use in noisy background places, to cover long-distances.

The MPLT30 is made of ABS and provided with a stainless steel bracket. Further it has a high quality 30 watt 100 Volt transformer with several power tappings.

The standard colour is grey. As an option the MPLT30 can be painted in any RAL colour (Ref; PAINTMPLT). Please note that the minimum order quantity for PAINTMPLT is 12 pieces.
